Allocations are based on league size (we renewed our status as the largest Area 3 league so we claim the most # of allocated slots)
 Compare: We have 93 slots allocated to us; SCDL: 78, WBFL: 58 (see why it's important to maintain our CHSSA #s!)
 Bonus entries are awarded based on league performance at State over the previous 3 years
 Biggest gain: we picked up a new Bonus in Congress (thanks to ECR's Shawn Haq winning the championship!)
 Other changes: We were assigned an extra allocation in OA (assigned to the Area, we drew the slot); we lost our bonus in NX
 Areas for improvement: Duo, TI, both Extemp (and Jerome would like us to earn a bonus in LD!)

How does our Area compare to the other Areas?

Area 1 is still the largest with 94 CHSSA member schools in 15-16 (2 leagues in Area 1: CFL and GGSA)

- Total # of Area 1 slots at State: 224

Our Area 3 is #2 in size, with 86 CHSSA member schools in 15-16 (3 leagues in Area 3: TCFL, SCDL, WBFL)

- Total # of Area 3 slots at State: 215

Area 4 is next in line with 70 CHSSA member schools in 15-16 (3 leagues in Area 4: SDIVSL, CBSR, OCSL)

- Total # of Area 4 slots at State: 206

Area 2 is the smallest area in size, with 56 CHSSA member schools in 15-16 (3 leagues in Area 2: SVFL, CVFL, YFL)

- Total # of Area 2 slots at State: 198
