# The State Qualifying Tournament Script Requirements

## THEMATIC

\_\_\_\_\_ I have an official "cover sheet" FILLED OUT AND SIGNED BY ME **AND** MY PARENT.

\_\_\_\_\_ **I have left the "CODE" line blank.**

\_\_\_\_\_ The principal and coach have signed my cover sheet.

\_\_\_\_\_ I have included a typed, double-spaced, underlined copy of my INTRO and TRANSITIONS on a separate sheets of paper.

\_\_\_\_\_ I have placed my intro and any transitions in my script where I say them.

\_\_\_\_\_ For any added words, I have NEATLY WRITTEN AND UNDERLINED IN THE MARGIN with an arrow leading to the point in the script where I say it.

\_\_\_\_\_ I did NOT highlight the added words. I underlined and neatly inserted them.

\_\_\_\_\_ I have timed the number of added words (including my intro) and figured how much time out of 10 minutes they comprise (ex: intro + added words is 2 minutes out of 10 minute speech = 20% of added words) AND I have filled in the percentage at the top of my STATE COVERSHEET.

### **I HAVE DONE THE FOLLOWING FOR EACH SELECTION:**

\_\_\_\_\_ I have a copy of the title page(s) (not the cover...the inside title page(s)).

\_\_\_\_\_ I have a copy of the entire table of contents (if there is any) and my selections are highlighted IN DIFFERENT COLORS (each selection is a different color).

\_\_\_\_\_ I have a copy of the copyright pages (one for each published selection).

\_\_\_\_\_ I have a copy of every page that has a line that I say.

\_\_\_\_\_ I have NO CUT OFF WORDS ON THE COPIES!!! (On either page-even if I don't do any part of the opposite page)

\_\_\_\_\_ I have highlighted all words from the scripts that I say, **each selection in a different color.**

\_\_\_\_\_ I have NOT crossed out or written though any words.

\_\_\_\_\_ My intro makes sure I state EACH TITLE AND AUTHOR I HAVE AND I clearly state them when performing my speech.

**THESE SHEETS ARE SIMPLY A GUIDE. PLEASE REFER TO THE OFFICIAL CHSSA COVERSHEET FOR OFFICIAL RULES AND GUIDELINES.**
